

What? Not so lucky with your ducky? What to do?

I heard you lost your duck. I am saddened by this. It was with great expectations that you would hold on to your duck and show those six pillars of character; let's review

Trustworthiness: Be reliable — do what you say you'll do (take care of Duck)

Respect: Treat others with respect; follow the Golden Rule • Respect Duck by not losing track of him/her.

Responsibility: Do what you are supposed to do • Be responsible for Duck. Think before you act — consider the consequences • Be accountable for your choices

Fairness: Play by the rules • Don't blame others carelessly

Caring: Be kind • Be compassionate and show you care by not losing Duck.

Citizenship: Do your share to make your school and community better • Cooperate • Obey rules • Protect the Duck.

**If you do lose your duck you have a few choices;
you can:**

- 👉 Replace with a random rubber duck from any store that sells them
- 👉 Replace with a twin duck from me for \$1.00 (one time only deal- need a note from parent saying you lost it).
- 👉 Do nothing - no duck, no project, no fun
